Last day for students

---

Last week was a great start to Term 4. Well done Corrimal East! It is really great seeing almost everyone dressed in full school uniform and wearing a CEPS school hat each day. We had a very settled start to learning and everyone has fallen straight back into school routine, Good job all!

If you haven’t yet completed the survey for before & after school care at our school I urge you to do so ASAP (due date **THIS Wednesday**). See attached sheet for more info.

I look forward seeing you, if you can make it, at the P&C meeting tomorrow night (6:30pm in the Library).

**Updating School of Any Changes**

We kindly request that if you are aware of any changes to routine for your child/ren, like who is picking them up after school etc that you let us know. This way, we can ensure that all students at our school are safe.

Additionally, if there are any changes at home that may impact on your child/ren’s day at school, please let us know. We care for all of our students and want to ensure that each school day is as successful as possible. Thanks in advance!

---

**Road Safety**

Students have been reminded that when riding bikes/scooters to school that **must have a helmet** and should not be riding on the road. We have had some reports from concerned locals about some unsafe behaviour. Please talk with your child/ren about this if he/she rides to school. Thanks!

---

**Unexplained Absences**

We have had a number of children regularly arriving late to school each day. Schools must identify if the explanation for the late attendance or early departure is justifiable or not. Some unjustifiable explanations include sleeping in, missing the bus, waiting for a parent or sibling, shopping. Unsatisfactory reasons will be marked as unjustified on the school attendance roll.

Parents/carers are required to bring their child/ren to the office if late.
Congratulations Term 4, Week 1

Stage 1 Excursion to Vaucluse House

Stage 1 had a fantastic time visiting Vaucluse House last week. Your children were able to step back in time and live the life of the Wentworth children in the 1850’s. It is such a valuable experience to take students on excursions such as these as it brings the learning of our classrooms to life. Vaucluse House kindly provided each student, who attended on the day, with a discounted family pass so that your children can share the experience with you, their families. The passes will be sent out today if you haven’t received one as yet.

Thank you to our Stage 1 parents for supporting such a wonderful excursion. Your children had beautiful manners and were respectful and courteous at all times. I was very impressed with their behaviour as were the teachers and staff from Vaucluse House. We hope that you take the opportunity to visit as a family. If you do decided to experience Vaucluse House as a family please be sure to let your child’s teacher know.

Warm regards,
Mrs Gonzaga
