A fantastic night of dancing last Thursday evening at our school disco’s. It was great seeing everyone having a fun time dancing and enjoying the evening together. My thanks to Year 6, Mrs Brown and Mr Kusa for organising the event. Many of the teaching and support staff from our school came along to help out– thank you team!

At last weeks P&C meeting, I tabled a school uniform policy. There was much discussion around the CEPS uniform but the group did decide upon our exact school uniform requirements. The school uniform list is included for your reference with this newsletter. It is important that everyone knows what the school uniform entails.

It is ‘Book Week’ this week and I know the students have been talking about book week with Mrs Bland in the library. Mrs Bland is in communication with Corrimal Public Library about the K-4 visits scheduled for this week. Due to the weather, further arrangements will follow.

**Dropping children off safely to school**

Please ensure your children alight from the kerbside door of your vehicle. Some children are getting out of the car directly into the traffic—**this is a very unsafe practice**. Some parents are also double-parking and letting their children out into the traffic—please ensure you park safely before letting your child out of the car.

We have also been informed that Police will be patrolling the area during the next few weeks so please be mindful of this when dropping children off and parking.

**We are taking Kindergarten 2015 Enrolments NOW!**

If you have (or if you know someone who has) a child starting at school next year, please come into the office to collect an enrolment package. Tours of the school with our Principal, Mr Darcey, are most certainly welcome.

Information on our SmartStart program can be collected from the school office.
**P&C Meeting Guest Speaker.**
Thank you to Nicole Calnan, the NSW Teachers Federation Organiser for her informative presentation at the P&C Meeting on Tuesday evening. The issue of Gonski and its relation to our school was clearly and concisely presented. The awareness it has created in our school community has been invaluable.

**Clothing Pool:** A reminder that school sports shirts are now back in stock.

Have a happy and safe week.
