A very big welcome to our 2015 Kindergarten students and their families. Our bright-eyed and eager Kindergarten students started their learning journey today and it was great seeing them out and about, getting a feel for our school.

We had a fantastic start to the 2015 school year last week. Everyone settled back into school routines easily; there was a really lovely feel around the place! Students were placed in their 2015 classes on Friday. It is anticipated, but can not be 100% guaranteed, that the class your child/ren were placed in on Friday will be his/her class for 2015.

We value open communication between home and school at CEPS. It is extremely important to us that teaching staff, who know your child the best, are kept informed of any matter that may impact upon your child/ren whilst at school. Parents are encouraged to speak with a teacher before or after school (before 9am and/or after 3pm) if the matter can be discussed briefly. For matters that may take longer than a couple of minutes, parents are asked to please contact the office to arrange a mutually convenient time to meet. Teachers have time throughout the school week when they can meet with parents as well as before or after school but it is best to arrange an appointment. Your child’s classroom teacher is always the first person to speak with about your child. If after some time you feel that the matter you raised with the teacher has not been addressed you are asked to make an appointment with one of our Assistant Principals. For 2015 our Assistant Principals’ responsibilities are– Mrs Gonzaga & Mrs Rajendra; Classes K-2 & Mr Kusa & Mrs Brown; Classes 3-6.

Parents are kindly reminded that at no time should a parent approach any child whilst at school or on a school related activity. If parents have or see an issue/problem with a child/ren from our school they are asked to speak with the closest member of staff. This is to ensure the safety and welfare of each and every student at our school. I thank you for your understanding and cooperation in this very important student welfare matter.

There are numerous forms that are attached to this newsletter. Please ensure you read them all carefully and return them by their due dates to ensure a smooth start to 2015.

I look forward to seeing you at the swimming carnival tomorrow for what is set to be a great afternoon.

Returning of Notes & Money @ CEPS

Parents are advised that no notes and/or money are now to be taken to class teachers. Instead, in the front foyer we have a large wooden box with a slot for every class. Parents and students are asked to please place ALL notes and money in the appropriate class slot by 9:10am. If the note to be returned is for more than one child, please return it in the oldest siblings class slot. The box will be emptied by office staff each day, by 9:30am. Bookclub and P&C returns are to also be returned to the wooden box.

Parents are also reminded that when a child returns to school from an absence, a written explanation is required the day upon returning. If we do not receive written advise of the absence from a parent/carer, a generic NSWDEC letter will be distributed reminding parents of the absence and requesting an explanation. If there are numerous absences without written explanation from a parent/carer, the family may be contacted by the NSWDEC Home School Liaison Officer. Later this week you will receive a CEPS Absence Note Booklet for your convenience. Thank you for your support in helping us ensure the safety and welfare of our students.

Late Arrival and/or Early Leaving from CEPS

Our school begins at 9:00am and concludes at 3:00pm. Parents are asked to please make appointments outside of school time. From time to time, this is unavoidable and students may arrive late or need to be picked up early. It is practise at our school that if a child/ren are late to school a parent/carer is to accompany the child/ren to the school office. Additionally, we will not allow any student to leave the school grounds if not in the care of a parent/carer (please phone the office if the adult to pick up your child is not a legal guardian). Again, please be reminded that parent/carers are to first come to the office if picking up a child/ren early. You will receive a slip from the office which you must hand to the class teacher. Class teachers will not allow any child to leave their room without the adult having a early leaving pass from the office.

As per NSWDEC guidelines, unjustifiable explanations include sleeping in, missing the bus, waiting for a parent or sibling, shopping etc. Unsatisfactory reasons will be marked as unjustified on the school attendance register.

Entry & Exit from CEPS

Parents are reminded that in the morning and afternoon, the small pedestrian gates located on Duff Parade and Pioneer Road are the only entry and exit points from our school. No one should be using the carpark entry gates nor the bottom driveway gates. The bottom driveway gates are now used for our school taxi service; this area and the staff carpark are very high traffic areas! We wish to ensure the safety of our entire school community. Please help us by adhering to these regulations. Thank you!
CEPS School Uniform

Our school community is very proud of our school uniform. Our students look fantastic when everyone is in correct uniform. Our school has an agreed School Uniform Policy (which is located on our school website). Parents are asked to please ensure their child/ren comes to school each day dressed in full school uniform (this includes a maroon hat). If for some reason your child can not wear the school uniform one day, please ensure you write a note to be handed to the class teacher so that he/she is aware of the situation. Our school has a No Hat = COLA Play policy that means if he/she does not have their maroon hat, they are to play under the COLA area only.

As agreed at our last P&C meeting, the school cap is now being phased out and replaced with a broader brimmed hat. This new design meets sun safety regulations. The school cap IS STILL SCHOOL UNIFORM but will not be available for purchase any more.

Labelling Belongings

Parents are reminded that every item your child brings to school including lunch boxes, drink bottles, hats etc) need to be clearly labelled with his/her name, this included Stage 3 students! This really helps us in safely returning any misplaced items to the correct owner.

Term 1 Parent/Teacher ‘Have-A-Chats’ & ‘Class Newsletters’

This year, instead of a ‘Meet the Teacher’ evening, we are going to hold Parent/Teacher ‘Have-A-Chats’ throughout Weeks 7 and 8. Parents will have the opportunity to lock in a time to talk with class teachers about their child and his/her needs, goals and/or directions for the 2015 school year (you will receive a booking form in the coming weeks). We feel doing it this way, parents and class teachers will get a better feel of what to expect for the year ahead.

Class teachers will each be sending home a ‘Class Newsletter’ this week (and every term from here onwards) which will outline the units to be studied throughout the term, general housekeeping information of the class and the class weekly timetable etc. It is hoped this information will help you when talking with your child/ren about the many things he/she experiences whilst at school each day and keep parents up to date.

Experience The Magic Of Hosting

WEP

In July our exchange student, Toon, joined our family. And when I say joined he literally did that. He has become my teenage son. Our experience as a family has been amazing and unforgettable.

Toon is leaving this week and I feel like my son is grown up and leaving home. There is nothing negative that I can say about our time with Toon. Toon has been through all sorts of things with our family. Through good times, like the birth of our new daughter, and not so good times (but nothing bad).

I would like to say my respects to Toon’s parents. They have done a wonderful job raising such a courteous, well mannered, well balanced son. We have so many fantastic stories from this exchange experience. We have enjoyed it so much that we are hosting again next July. We will have a friend for life and will never forget Toon.

Thank you WEP for the chance to meet Toon. It wouldn’t have been possible without the WEP team. Only a quick few words to show my appreciation in meeting Toon and to WEP.

2015 School Swimming Carnival - Reminder

Dear Parents,

Our swimming carnival will be held at Corrimal Pool starting at 12.00 noon and finishing at 2.30pm TOMORROW. All children from Years 3 – 6 are expected to attend. Any children who are in Year 2 and are turning 8 years old in 2015 (born in 2007) and who can swim 50 metres comfortably are invited to participate, other 8yr olds can come and support their house.

✦ Children compete in the age group that they turn next year (8,9,10,11,12+).

✦ Children may wear their house colours and must have a hat, T-shirt and sunscreen. They will also need to bring their lunch, snacks, swimmers, towel and plenty to drink. Shoes must be worn to and from the pool (NO THONGS). Children will have recess before they leave school. Children will need to bring underwear if they wear their swimmers under their sports uniform.

✦ Children will be walking to the pool leaving school at 11.15am after the roll is marked.

✦ Children will sit in their House Groups during the carnival and parents are welcome to sit with their child.

✦ The 25m pool, the toddler’s pool and the canteen are out of bounds for our children during the carnival. Parents are asked not to take their school child to these areas as it causes problems with supervision.

✦ All events will be timed and there will be NO Finals.

✦ The cost is $3 per child to cover pool entry. Parent spectator entry fee is 60c which is payable directly to the pool on arrival.

Any students leaving the pool with their parents MUST BE SIGNED OUT BY THEIR PARENT. Students WILL NOT be allowed to go home or stay at the pool with other parents. We anticipate that we will be arriving back at school by 3.00pm.

Please fill in the attached permission note (even if your child is only spectating) and return it with payment to the office tomorrow morning.

Dear Parents,

Schools are now resource based on an allocation model called the RAM (Resource Allocation Model). This model of funding takes into account family situations such as socio-economic and family backgrounds.

Just like the process of updating medical records and emergency contact details annually, we need to update family situation information as well. Therefore, to have accurate records for the NSWDEC I request that you complete the below information and return it to your child’s class slot by Friday 13th February 2015.

You will notice there are three sections of the request; Parent/Carer 1 refers to the primary carer, Parent/Carer 2 refers to the other adult responsible for the child/ren who lives with the child/ren & Parent/Carer other refers to the other adult responsible for the child/ren who does not live with the child/ren (please do not include grandparents or other extended family in this section).

Please note that we do require accurate information as we are funded on this information. Of course, all information will be treated with the strictest of confidentiality.

Warm regards,
Bede Darcey

*Thank you for providing this vitally important information. Your support is appreciated.*
Dear Parents / Caregivers,

On Thursday, the 12th February 2015, from 9:00-9:45am SRE classes will begin for 2015. SRE classes are offered at our school as is policy within the NSWDE. Students do not need to attend church in order to participate in SRE at school.

If you would like to read more about SRE (Special Religious Education) in NSW Public schools, please visit https://www.det.nsw.edu.au/policies/curriculum/schools/spec_religious/

Our school makes accommodations for those students with whom the family decide he/she is not to attend SRE. Students who attend the Non-Scripture class will need to bring a book to read during this time. No devices will be taken to any Non-Scripture class.

Rolls for these classes need to be compiled as soon as possible, so to assist us with this, we ask that you please select the class that your child will be attending in 2015 from the choices listed below. Please discuss all the options with your child, as the class chosen will be your child’s class for all four terms of 2015, as there can be no changes to the classes once the rolls have been compiled. This is because the SRE providers purchase booklets and organise staff for participating schools according to the starting numbers.

Please tick **one** option from the list below and return the bottom section of this letter by placing it in the marked **SRE slot** in the box located in the foyer by **Friday 6th February 2015**.

Please be aware that if no response has been received by the due date, students will be placed in an SRE class based on their enrolment information.

Dear Parents/Carers,

From time to time, the New South Wales Department of Education and Communities (NSWDEC) and/or media agencies (such as the Illawarra Mercury) may wish to publish information about your child for the purposes of sharing his/her experiences with other students, informing the school and its community about school and student activities and recording student participation in noteworthy projects or community service. Sometimes photographs are taken of students while participating in school activities such as assemblies and sporting activities. Our school is wishing to update our ‘Permission to Publish’ database. Information (such as photographs etc) on school students are only ever published on NSWDEC approved means such as the school newsletter and website. This is a great way to showcase our wonderful school! Please complete the ‘Permission to Publish’ slip below. If you select ‘do not give permission’, you are asked to please contact the office and speak with Mr Darcey.

Our school provides students with access to the internet, including their own NSWDEC Email account. We require signed permission from parents for students to use these resources. All access to internet resources are fully screened by the NSWDEC and monitored closely by classroom teachers.

I thank you for your continued support. Please return the slip below to your child’s class slot by Friday 13th February, 2015.

2015 CEPS General Contribution Fund

Dear Parents / Carers,

To assist our school in providing the very best educational pursuits for our students, we are asking parents to voluntarily contribute to the running costs of our school through a General Contribution Fund.

At our school, we do not ask parents for payment to cover the purchasing of specific text books and/or specific classroom equipment. The General Contribution Fund will help cover the schools costs for the following items for your child/ren;

- General stationary
- Paper Levy
- Educational expenses (not including excursions/sporting activities) such as exercise books, reading resources & maths resources

Class teachers will not be using text books for literacy or numeracy teaching in 2015- this is an important step to achieve quality teaching and learning here at our school. Instead, teachers will be applying a ‘hands on’ approach to teaching and learning. Your monetary supports will aide us in providing worthy and engaging teaching and learning experiences.

The suggested contribution will be $50.00 per child, per year (that’s $12.50 per term, $1.25 per week). Of course, this payment is voluntary and families are encouraged to support us with this contribution. If you experience difficulties paying for any school related initiative, please ring the office to arrange a time to discuss payment options. All requests for assistance will be treated confidentially.

Please kindly complete the below slip and return it with your General Contribution by Friday, 6th March 2015.

I thank you for your support. The staff and I look forward to providing outstanding opportunities for the students at our school.
